

PRESS RELEASE

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

Our Platform, which was established on May 29, 2021 to recommend, encourage and promote the establishment of a genuine and solid ISLAMIC UNION, consists of Academics, former Ministers and Politicians, Retired Generals, Journalists and Writers, Islamic Theologists, Educators, Engineers and Businessmen and it is a Think Tank and a Strategy Center.

Based on the statement **"The greatest obligatory duty of this time is the Unity of Islam"**, the sincere belief of our delegation is as follows :

The ISLAMIC UNION is the solution to all the economic, social and military problems of our country and the Islamic World !

We presented our Report titled **"WHY THE ISLAMIC UNION?"** on October 1, 2023, both in print and via e-mail, to our President, our Minister of Foreign

Affairs, Presidency of Religious Affairs and to the Chairmen of some Political Parties.

We sent the Arabic translation of our report to some Thinkers, Intellectuals and Theologists in Arab Countries.

The dangerous events developing in the immediate vicinity of our country and especially in the Middle East clearly demonstrate the urgent and critical need for the ISLAMIC UNION and the ISLAMIC PEACE-KEEPING FORCE.

إِنَّمَا الْمُؤْمِنُونَ إِخْوَةٌ فَأَصْلِحُوا بَيْنَ أَخَوَيْكُمْ
وَ اتَّقُوا اللَّهَ لَعَلَّكُمْ تُرْحَمُونَ

Indeed, believers are brothers, so make peace between your brothers and beware of disobedience to Allah, so that you may receive His mercy. (Surat al-Hujurat-10)

Based on the command of this Verse:

We invite all the People of Faith and the People of Reason to urgent alliance, solidarity and cooperation regarding the ISLAMIC UNION.

We believe that a movement that will begin with genuine, sincere solidarity and cooperation among individual believers, groups, communities, NGOs,

parties, politicians, intellectuals, theologians, Sayyids and Murshids will quickly lead to sincere alliance and unity among Islamic Countries, Muslim Governments and Muslim Peoples.

We know that, in the face of the strength and power that this alliance and union will bring, no enemy will be able to attack the Islamic World and the Oppressed Muslims again.

We hope that you will carefully examine our report, **forward it to others**, and give all the necessary support to the cause of the ISLAMIC UNION and the ISLAMIC PEACE-KEEPING ARMY.

We pray and ask for Allah Subhanahu (God Almighty's) help for the establishment of the true ISLAMIC UNION, **which will protect our country and the Islamic World from all kinds of dangers and accelerate our material and spiritual progress**, Insha'Allah.
